./.

The Director General of the World Intellectual Property Organization (WIPO) presents his compliments to the Minister for Foreign Affairs and has the honor to communicate herewith, in pursuance of Article 6<sup>ter</sup>(3) of the Paris Convention for the Protection of Industrial Property, as revised at The Hague on November 6, 1925, at London on June 2, 1934, at Lisbon on October 31, 1958, and at Stockholm on July 14, 1967, reproductions of the Algerian State seal, the Algerian emblem for territorial divisions and the Algerian civil defense emblem, which the Algerian authorities wish to have protected under the afore-mentioned Article 6<sup>ter</sup>.

Each reproduction is marked consecutively with the figures I, II and III.

It is recalled that Article 6<sup>ter</sup> of the Paris Convention is binding on all member countries of the Paris Union as far as the armorial bearings, flags and other State emblems of a country of the Union are concerned, whether that country be party to the Stockholm Act, the Lisbon Act --like Algeria--, the London Act or the Hague Act.

A copy of this Note, together with the enclosures mentioned above, is being sent to the Industrial Property Offices of those countries to which the Note is addressed.
